### Explanation how to measure:

**A: Shoulders (Across)** – Measure the shirt from the seam on the left shoulder to the seam on the right shoulder.

**B: Chest** – Measure the shirt from just under the left armhole to the right armhole.

**C: Hips** – Measure the bottom of the shirt from left to right.

**D: Sleeve Length** – Measure the shirt from the seam on top of the shoulder to the bottom of the sleeve.

**E: Back Length** – Measure the shirt from the collar to the bottom of the shirt.

### Between Sizes?

If your measurements are in between those listed in the size chart, we recommend that you pick the larger size.
